Events

With us, your event transforms into an experience.

Thrilling driving experiences, exciting insights and a location that leaves nothing to be desired – the best conditions for an unforgettable event. Spanning an indoor area of well over 5,000 m² and an outdoor area of over 400 hectares, the Porsche Experience Center Leipzig offers a wealth of opportunities for your own personal ideas. Be it a small meeting, a conference or a major gala event.

And the absolute highlight: unforgettable additional activities all about the Porsche brand. We are happy to accommodate your specific requests and arrange everything for you. From the planning of your event to your guests' homeward journey. Guaranteed at every event: professional catering, state-of-the-art event technology and high-speed Wi-Fi throughout the building.

Events at Porsche

Agenda item: Adrenaline kick.

Combine your event with an emotional experience that your guests will remember for a very long time to come. Experience the Porsche brand on a factory tour and see the production of a Porsche as it happens. Or inspire your guests with an on-road or off-road driving experience on both of the factory's own tracks. Or, how about a customer event that includes a fast-paced ride alongside a motor sports professional on the on-road circuit, a workshop followed by an adventure on the off-road track or a gala dinner in the midst of the thrilling motor sports atmosphere? Thrills and heart-pounding moments guaranteed.

Our premises

From 0 to excitement.

Secure the pole position for your event. Our experienced event managers will take care of everything – from the planning to the flawless execution. Your to-do list: sit back and enjoy. Please feel free to contact us personally for a phone consultation or on-site advice during a location check. And get inspired. For an unforgettable event tailored to your individual needs.
