LEIPZIG

lautsprache
['laɪpt͡sɪç]

~~irgendwo im Osten, Stadt im Freistaat~~
Sachsen, historisches Zentrum der Wirtschaft

~~Sachsen, die Sachsen betreffend, von den Sachsen stammend~~
zu ihnen gehörend

Leipzig is beautiful, young and simply amazing. From the moment you arrive, you sense the pervasive enthusiasm, professionalism and cosmopolitanism. Its reputation for open-mindedness has proved irresistible to business people, scientists and artists alike over the centuries. Anyone who comes here is infected by that incomparable Leipzig feeling of renewal and freedom.
